What the Average Score Means

Your **Average Score** (across all tested China locations) summarizes overall accessibility and usability. It reflects connectivity, successful loading of important resources, and real-world performance.

 **98/100**
Average Score

 **Fully Accessible**
No meaningful barriers detected

The site behaves almost like a domestic Chinese website — fast, reliable, and fully functional.

Maintain consistent access in China

You're in a good place. For teams aiming for long-term stability in China, **ICP Filing** is often part of the plan. Enter your email to get the details.
